OUTREACH & ADVOCACY

For Schools, Youth Services, Community Partners

Target Group:

Young people and vulnerable adults disengaged from support systems or facing complex transitions.

Connecting the Disconnected

The Service

Our Outreach & Advocacy Workers engage those often left behind — from NEET young people to care leavers and those navigating homelessness or youth justice. We provide culturally responsive outreach, practical support, and system advocacy.

Key Features

- ✓ Community, peer, and street-based outreach
- ✓ One-to-one advocacy around housing, education, care and more
- ✓ Trauma-aware and anti-oppressive practice
- ✓ Support with appointments and service navigation
- ✓ Empowering goal-setting and rights-based approach

Impact & Outcomes:

- ✓ Improved engagement with services and education
- ✓ Greater self-advocacy and life skills
- ✓ Reduced crisis involvement (e.g. missing episodes, arrests)
- ✓ Stronger peer and community support networks
